

December Newsletter

Hello and welcome to the first monthly newsletter brought to you by your resident board members of The Homestead at Ownsby Farms! We hope this information finds you well and provides you with an overview of what is going on not only in Celina this month but also in our community.

First off, we hope all of you had a Happy Thanksgiving and are enjoying the cold weather as well as the many holiday celebrations that are ongoing or coming up. There are numerous events happening in Celina this month as well as a couple in our neighborhood. You can find all important dates over to the right (If something is left out, we apologize, we will continue to improve each month!). Some notable events we are doing in the neighborhood are the community garage sale on December 2 and we are working on getting together a group of carolers for the evening of the 16th! If you are interested in joining the singing (or attempt at) or if you would like the group to stop by your house, PLEASE let us know! Our plan is to have some kind of treat and Hot Cocoa to share along the way! For those of you who are not a part of the Facebook page, we will include the link below to both the "Life in Celina" page as well as our community page.

If you have any concerns or have reached out to Essex and have not received a response, please include us in your emails! We cannot conduct Board Official Business on the Facebook page, so this is the best way for us to help! We hope you all have a wonderful Holiday season and stay safe and warm!

Dates To Know:

With so many events happening this December and dates to know, we have included a second page with all of the information! Below are dates to know for events happening in Ownsby Farms though!

December 2: Community Garage Sale

December 4: Fire Santa (Approx. 6:00 PM)

December 16: Christmas Caroling (Send us a message if you want to be a caroler or a house we stop at!)

Tips & Tricks

With the weather being cold and temperatures unknown, make sure to have your exterior faucets covered, keep your furry friends inside, make sure your sprinklers are turned off, cover your plants and be safe when walking outside! Also, don't forget our furry friends do not like loud noises so keep them in on New year's Eve!
